

Twist and shout

The Beatles

Well shake it up baby now, twist and shout
Come on come on come on come on baby , now work it on out

Well work it on out , you know you look so good
You know you got me goin' now , just like you knew you would

Pont : Ahh Ahh Ahh Ahh Ahh

Well shake it up baby now, twist and shout
Come on come on come on come on baby , now work it on out

You know you twist it little girl , you know you twist so fine
Come on and twist a little closer now, and let me know that you're mine

Pont

Well shake it up baby now, twist and shout
Come on come on come on come on baby , now work it on out

You know you twist it little girl , you know you twist so fine
Come on and twist a little closer now, and let me know that you're mine

Well shake it shake it shake it baby now
Well shake it shake it shake it baby now
Well shake it shake it shake it baby now
