

Sexual Healing

Ben Harper

Oh baby now let's get down tonight
Baby, I'm hot just like your oven
Baby, I can't hold it much longer
And when I get this feeling

Well I need your lovin', and
No, it's getting stronger and stronger
I need sexual healing

Sexual healing,
It helps to relieve the mind
Sexual healing,

It makes me feel so fine
Sexual healing, is good for me
is somethin' that's so very good for me

Couplet : Whenever these blue tear drops are falling, oh no
And my emotional stability is leaving me
But there is something I can do
Oh I can get on the telephone and call you up baby
Darling I know you'll be there to relieve me
The love you give to me will free me
So if you don't know the things you're dealing
Well I can tell you darling, oh it's sexual healing

Get up, get up, get up, get up
Wake up, wake up, wake up, wake up

Let's make love tonight
'Cause you do it right

Heal me, my darling (x4)

Baby, you know I got sick this morning
Well a sea was storming up inside of me
Baby, I think I'm capsizing
All the waves are rising
And when I get this feeling I want sexual healing

Sexual healing,
It makes me feel so fine,
It helps to relieve the mind,
Sexual healing,
Sexual healing,

it's such a rush
Lord it's good for us
is good for me
is something so so good for me

Couplet : Oh it's good for us, oh it's so good to me my baby... Whoahohh
Just grab a hold
Of my body and mind
Oh we're feeling fine
Oh darling, you're so great
Come take control
Soon we'll be making love honey
You're my medicine open'up, let me in
I can't wait for you to operate

Heal me, my darling
Oh whenever these blue teardrops are falling,
You know I come calling, Heal me, my darling

I can't wait for you to operate,
