

SULLIVAN

STREET

Take the way home that leads back to Sullivan Street,
Cross the water and home through the town.
Past the shadows that fall down wherever we meet
Pretty soon I won't come around

REFRAIN : I'm almost drowning in her sea
She's nearly fallen to her knees

Take the way home, papapapapapa...
Take the way home, that leads back to Sullivan Street
Where all the bodies hang on the air
If she remembers, she hides it whenever we meet
Either way now, I don't really care

REFRAIN : I'm almost drowning in her seas
She's nearly crawling on her knees

She's down on her knees

Take the way home that leads back to Sullivan Street
I'm just another rider burned to the ground

REFRAIN : I'm almost drowning in her sea
She's nearly crawling to her knees
It's almost everything I need

I'm down on my knees (x2)
I'm down on, down on my knees
I'm down on my knees (x2)
