

FREEDOM ROCK

My name is Chip
And I'm different
I don't conform
I wear a different uniform

REFRAIN : I'm out of the blue
And so you are, too
Let me sing about one thing that's clear
That nobody owns
The pleasure of tones
That belongs to a guy with no ear

INTERLUDE : They tried to give me advice
Down at the record shop
I said "Sit down boys,
This may come as a SHOCK!
What's all I listen too,
It's all « Freedom Rock »
How can you free me (x4)

TRANSITION : When I am free?
I am free !!
