

Patience

Guns'n'roses

Shed a tear 'cause I'm missin' you I'm still alright to smile
Girl, I think about you every day now Was a time when I wasn't sure
But you set my mind at ease There is no doubt
You're in my heart now

Refrain : Said, woman, take it slow It'll work itself out fine
All we need is just a little patience Said, sugar, make it slow
And we come together fine All we need is just a little patience, Mm,
yeah

I sit here on the stairs 'Cause I'd rather be alone
If I can't have you right now I'll wait, dear
Sometimes I get so tense But I can't speed up the time
But you know, love There's one more thing to consider

Refrain : Said, woman, take it slow And things will be just fine
You and I'll just use a little patience Said, sugar, take the time
'Cause the lights are shining bright You and I've got what it takes
To make it, We won't fake it, I'll never break it 'cause I can't take it **+ Solo**

...little patience, mm yeah
need a little patience, yeah
just a little patience, yeah
some more patience, yeah
need some patience, yeah
could use some patience, yeah
gotta have some patience, yeah
all it takes is patience,
just a little patience
is all you need

I've been walkin' the streets at night
Just tryin' to get it right
Hard to see with so many around
No I don't like being stuck in the
crowd
And the streets don't change
But maybe the name
I ain't got time for this game
'Cause I need you, Yeah I need you
Oh I need you, Whoa I need you
Oh this time...
