

ARE YOU GONNA GO MY WAY ?

I was born long ago,
I am the chosen I am the one.
I have come to save the day,
And I won't leave until I'm done.
So that's why we've got to try,
We've got to breathe and have some fun.
Though I'm not paid, I play this game,
And I won't stop until I'm done.

REFRAIN : An' what I really want to know is...
Are you gonna go my way?
An' I got to know yeah.

I don't know why we always cry,
This must leave and get undone.
We must engage and rearrange,
And turn this planet back to one.
So tell me why we got to die,
And kill each other one by one.
We've got to love and rub-a-dub,
We've got to dance and be in love.
