

# WELCOME HOME (SANITARIUM)

Welcome to where time stands still.  
No one leaves and no one will.  
Moon is full, never seems to change. Just labeled mentally deranged.  
Dream the same thing ev'ry night. I see our freedom in my sight.  
No locked doors, no windows barred. No things to make my brain seem  
scared.  
Sleep, my friend, and you will see that dream is my reality.  
They keep me locked up in this cage. Can't they see it's why my brain  
says rage ?

**Refrain :** Sanitarium, leave me be.  
Sanitarium, just leave me alone.

Build my fear of what's out there. Cannot breathe the open air.  
Whispering things into my brain, assuring me that I'm insane.  
They think our heads are in their hands, but vi'lent use brings vi'lent  
plans.  
Keep him tied, it makes him well. He's getting better ; can't you tell ?  
No more can they keep us in. Listen, damn it, we will win. They see it  
right, they see it well, but they think this saves us from our hell.

## **Refrain**

Fear of living on,  
natives getting restless now, multiny in the air.  
Got some death to do.  
Mirror stares back hard.  
« Kill », it's such a friendly word. Seem the only way  
for reaching out again.
