

Where did you sleep last night ?

Nirvana

My girl, my girl don't lie to me
Tell me where did you sleep last night
In the pines, in the pines where the sun dont ever shine
I will shiver the whole night through

My girl, my girl where will you go
Im goin where the cold wind blows
In the pines, in the pines where the sun dont ever shine
I will shiver the whole night through

The husband was a hard working man
Just about a mile from here
His head was found in a drivin wheel
But his body never was found

My girl, my girl don't lie to me
Tell me where did you sleep last night
In the pines, in the pines where the sun dont ever shine
I will shiver the whole night through
Shiver for me

My girl, my girl where will you go
Im goin where the cold wind blows
In the pines, in the pines where the sun dont ever shine
I will shiver the whole night through

My girl, my girl don't lie to me
Tell me where did you sleep last night
In the pines, in the pines where the sun dont ever shine
I will shiver the whole night through

My girl, my girl where will you go
Im goin where the cold wind blows
In the pines, in the pines sunshine
I will shiver the whole night through
