

# High And Dry

Radiohead

Two jumps in a week, I bet you think that's pretty clever don't you boy?  
Flying on your motorcycle, watching all the ground beneath you drop  
You'd kill yourself for recognition, kill yourself to never, ever stop  
You broke another mirror, you're turning into something you are not

**Refrain :** Don't leave me high, don't leave me dry  
Don't leave me high, don't leave me dry

Drying up in conversation, you'll be the one who cannot talk  
All your insides fall to pieces, you just sit there wishing you could still make love  
They're the ones who'll hate u when you think you've got the world all sussed out  
They're the ones who'll spit on you, you'll be the one screaming out

## Refrain

Oh, it's the best thing that you ever had,  
the best thing that you ever, ever had.  
It's the best thing that you ever had,  
the best thing you have had has gone away.
