

THE GREETING SONG

Drivin' around I've got my baby and my top down,
Mary go round I ride her for my love.
Throwin' me down in the back seat underground,
I'm on the mound I make it for my love.

+ INSTRUMENTAL

Makin' my way I brake another L.A. day,
Time in the town I need it for my love.
My chevrolet (a) rollin' to another play day,
This is the sound I listen for my love.

REFRAIN :

Who	you	talkin to?	Talk to me you!	Sound of music.
<i>Who</i>	<i>you</i>	<i>talkin to?</i>	<i>talk to me you!</i>	<u><i>(Bis)</i></u>

PONT : I love you, swim through me,
Good feelings come to me.

Sought and I found a life of makin' my blood sound,
Do anything for the one I love.
Something profound, the face of God is in senso-round,
I'm on the mound, I make it for my love.
