

1979

shakedown 1979, cool kids never have the time
on a live wire right up off the street
you and i should meet
junebug skipping like a stone
with the headlights pointed at the dawn
we were sure we'd never see an end to it all

REFRAIN : and i don't even care to shake these zipper blues
and we don't know just where our bones will rest to dust, i guess
forgotten and absorbed to the earth below

double cross the vacant and the bored
they're not sure just what we have in store
morphine city slippin dues to see

REFRAIN : that we don't even care as restless as we are
we feel the pull in the land of a thousand guilts
and poured cement, lamented and assured

PONT : to the lights and towns below
faster than the speed of sound
faster than we thought we'd go,
beneath the sound of hope

justine never know the rules,
hung down with the freaks and the ghouls
no apologies ever need be made, i know you better than you fake it

REFRAIN : to see that what we don't care to shake these zipper blues
and we don't know just where our bones will rest to dust i guess
forgotten and absorbed into earth below

the street heats the urgency of sound
as you can see there's no one around
